HEALTH AND WELLNESS

COVER YOUR COUGH

Use your elbow or a tissue to cover coughs and sneezes and help keep those around you safe.

WASH YOUR HANDS

Wash regularly with soap for at least 20 seconds.
Avoid touching your eyes, nose and face.

WEAR A MASK IF UNWELL

If you have cold or flu-like symptoms, please wear a mask to protect others.

REST IF YOU HAVE A FEVER

Stay home, rest, drink plenty of fluids and return only after being fever-free for at least a day.

CHECK IN WITH A DOCTOR

If you have flu symptoms, consult a doctor early.
Antivirals work best when started early; antibiotics do not treat the flu.
